

Your support helps us promote the work of local Torbay artists and the wider artistic community. We act as a small, central hub for the visual and performing arts, offering space to community groups, workshop leaders and creatives to deliver and share their work. Your sponsorship goes towards improving our offer to these individuals as well as helping us deliver our annual calendar of exhibitions. It also helps us to develop new programmes and initiatives to further support this community including provision of workshop spaces and artist studios.

YOUR SUPPORT

MEMBERSHIP

We are immensely grateful to the businesses who chose to partner with us through Corporate Membership and who realise the positive opportunities that come from engaging with and supporting community arts. Through your association with the work we do, you demonstrate your commitment to cultural development in Torbay and benefit from a raised profile as a patron to the arts. As well as this, we offer a wide range of valuable opportunities to recognise your support.
